OUR Chips
THE BEST OF CHIPPING POTATOES...
We make this a science...

Our double cooked spuds taste perfect. We fry in vegetable oil, a combination of rapeseed and palm so everyone can enjoy them. We serve them naked, and you choose the toppings. Traditional salt & vinegar, ketchup, curry sauce, or our yummy dips.

FRASER'S Gluten Free

To sit alongside our traditional fish & chips we are pleased to offer true gluten free options. **Gluten free batter cooked in a gluten free environment.** Available any day of the week.
